CARE & INSTRUCTIONS

To ensure the long-lasting beauty of your Badgley Mischka Timepiece, please treat it as you would a piece of fine jewelry. Avoid exposing the watch to water & perfumes, or any liquids, as these may discolor or damage the finish or movement.

SETTING THE TIME

Pull the Crown out all the way until it stops (position 'B'). If your watch has a second hand, the second hand will stop. Rotate the Crown in either direction until the desired time is obtained. Push the Crown back in (position 'A') to re-engage time keeping. The second hand will begin to move, if your watch has a second hand.

NOTE: Never pull the Crown when the watch is wet.

The movement of any timepiece requires periodic cleaning/timing which is not a defect and, as such not warranted. After one year from the date of purchase each cleaning/timing will be performed as required without charging a fee in excess of the specified \$9.95 handling charge. The above remedy is exclusive. Badgley Mischka shall not be liable for any incidental or consequential damages.

This warranty gives you specific legal rights and you may also have other rights which may vary from state to state. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitations and exclusions may not apply to you. In the event of a problem with warranty service or performance, you may be able to go to Small Claims Court, a State Court or a Federal District Court.

5-YEAR LIMITED WARRANTY
