# THE ARMITRON DRESS COLLECTION REVEALS THE EXCEPTIONAL VALUE IN EACH WATCH

---

The Armitron dress collection projects the confidence and style of the individual. Strong and distinguished, the designs are suited for a range of environments from casual to formal. Exceptional detailing, including automatic and multi-function movements, genuine leathers and stainless steel components reveal the exceptional value in each watch.

A close-up photograph of a person's hand and wrist. The person is wearing a bright yellow, textured jacket and a black Armitron watch with a black strap. The watch face is black with yellow hour markers and hands. The person's hand is resting on a black bicycle seat. The background is a blurred blue and black, suggesting an outdoor setting.

# **MOVEMENT IS THE DRIVING FORCE BEHIND THE ARMITRON *ProSport* COLLECTION**

---

Movement fuels life. This is the driving force behind the Armitron ProSport line of active timepieces. A variety of stunning colors, designs and functions ensures that ProSport can be worn in nearly any setting. With features including chronographs, lap timers and water resistance to 330 feet, these watches are built to meet the challenges of today's active lifestyles.
